Dear David

**PAYE Online Services 2006-2007: End of Year P14, P35
Recognition for Internet Filing Enabled Software**

Internet Product(s): Datafile Payroll Release 5.8

I can confirm that you have now successfully tested your Internet Filing Enable Software package(s), named above, through the Vendor Single Integrated Proving Service (VSIPS). The testing has been based on the submission of '**Original**' EOY returns.

The product tested caters for:

Complete submission of the P35 and P14s
P35Part submission
P14Part submission

You have also included and successfully tested the following items for 2006-07

Weekly	Monthly – tax refund
Monthly	Weekly - SSP
Weekly – SAP/SMP/SPP/Student Loan	Pension only schemes
Monthly – multiple lines of contributions	Cessation
Weekly - week 53	P14s with student data
Fortnightly - week 54	
4 Weekly - week 56	

Your business name, details of the tested product and your URL www.datafile.co.uk will now be included on the HMRC recognition web pages at http://www.hmrc.gov.uk/efiling/payepaye_software_forms.htm which lists the PAYE Internet Enabled Software products that have successfully passed through the testing process.

Please note that the issue of this letter and inclusion of your product details on our WebPages should not be regarded as IR endorsement or 'kitemarking' of your Internet Enabled product, instead it simply confirms successful testing through VSIPS.

Please remember, in order for your name to remain on the WebPages, you should retest any amendment that you make to the software package, including schema changes that we notify you about and/or any new versions of your product.

Yours sincerely
